+ BOOK LAUNCH at LIBRARY

~ 7pm ~ *Designers and Dreamers* -- WVHS

{Here's all the info. As writers say, no time to make this shorter :-)}

Greetings, all,

West Vancouver Historical Society is very pleased to invite you to the launch of our latest book and to introduce our new website.

The new site coincides with the publication of *Dreamers & Designers*, the latest book in our series of community histories.

Please join us at the launch of

Dreamers & Designers

at West Vancouver Memorial Library on Friday, October 26 at 7 pm.

Dreamers & Designers is the creation of author Francis Mansbridge, photographer John Moir, WVHS's Book Committee - Dave Barker, Michael Barnes and Jim Carter, and Harbour Publishing, who teamed up to produce a

history of West Vancouver's development as it was shaped by its unique location.

Francis Mansbridge and Dave Barker, whose grandparents' photograph graces the book's cover, will tell us about the inspiration for *Dreamers & Designers* and its journey to publication.

Enjoy refreshments (cash bar) laid on by the Library.

Celebrate our community's history and heritage while enjoying refreshments (cash bar) laid on by the Library.

Pick up your signed copy of *Dreamers & Designers* at a very attractive price.

(Note to Santas, Christmas is coming!)

Our thanks to West Vancouver Memorial Library for support and participation that always rises to the occasion.

An exhibition of photographs depicting West Vancouver's progression from 'cottages to community' will open at the launch of *Dreamers & Designers* and continue through Christmas and the New Year.

There's more!

We invite you to explore our new website at <http://wvhs.ca/>

You will find Events and News, and Profiles and Places that will connect you to our community's history and heritage.

Like West Vancouver Historical Society, our website will always be a work in progress.

We look forward to your comments and your contributions - our site is your site.
